### Important information for completing the entry dossier

#### Brief description of the dedicated service of the nominee (maximum 150 words)

We ask you to provide a text describing the importance of the work of your nominee in a maximum of 150 words. Europa Nostra might use this text in the annual Awards publication or for other communication purposes. In this description, please include the following information:

- Name of the nominee
- Overall works and/or activities the nominee has been engaged in
- Contribution made by the nominee to European heritage

You can use the following text as an example of how to write the brief description:

*The mission embarked upon by Dr Glenn Murray is as unique as the cultural heritage monument he single-handedly set out to rescue 22 years ago. An avid coin collector since the age of seven, his lifelong passion has taken him from searching for coins to researching historic mint buildings and coining technologies. In 1987, Dr Murray learned of the abandoned and forgotten Segovia Mint, built in 1583 by the famous architect, Juan de Herrera, with its complex mechanical minting technique developed in 1551 in Augsburg, Germany. The native Californian immediately recognised its potential and without hesitation set up residence in Spain for the sole purpose of creating cultural awareness for the restoration of the site, currently underway.*

*While this award recognises Dr Murray’s gargantuan efforts, he prefers to point the spotlight towards the building itself which he has shown to be the “world’s oldest, most sophisticated and complete industrial manufacturing plant still standing today”.*
